CLOSING CONTRACT 2025

- Closings will not be scheduled until proper payment is given. \$50 non-sufficient check fee will be due for all returned checks.
- No chemicals will be added at time of closing. Please bring in a water sample at least 24 hours prior to the closing for chemical instructions.
- Water level must be 4" below skimmer unless we are pumping it down for you or you have an auto cover.
- Plugs, gizmos, aqua doors, and other items needed for your closing will be replaced at your cost if not left out for our closing crew.
- Any service call that is not canceled within 24 hours prior will be charged out to CC provided.
